FOR WORLD'S FAIR SPORTS.

Extends Thanks to President Roosevelt for His Acceptance of Office-Dates of the Important Events-Announced

Consideration of the Germans' Request The A. A. U. championship committee, which had been in session since Saturday last, concluded its work yesterday. During the conclave, matters relative to the Olympic games and the A. A. U. national championships at the St. Louis fair were the principa subjects before the board. Those presen were: James E. Sullivan, New York Metro politan Association, chairman: E. E. Babb. Boston A. A.; Thomas F. Riley, North Cambridge, Mass.: Bartow S. Weeks, New York A. C.: Harry McMillan, Philadelphia, and Walter H. Liginger of Milwaukee, Wis. president of the national body.

The meeting was held in a private room of the New York A. C., and the delegates were highly elated over the fact that President Roosevelt had accepted the honorary presidency of the Olympic sames. As a mark of esteem the committee drafted the following resolution, and the chairman was in structed to forward a copy of it to the Presi dent at Washington:

Resolved. That the championship committee of the Amateur Athletic Union, on behalf of the Amateur Athletic Union and of its various district associations covering the entire United States, and also on behalf of its allied and amiliated bodies, the Intercollegiate Athletic Association of Amateur Athletics, the North American Gymnastic Union, the Athletic League of the Young Men's Christian Association of North America, Military Athletic League, National Cycling Association, National Skating Association and the Canadian Amateur Athletic Union, extend thanks to President Roosevelt for his cooperation and for the expression of his interest in pure amateur sport, as evidenced by his acceptance of the honorary presidency of the Olympic games.

Among other details the officials were Resolved. That the championship committee of

lis interest in pure amateur sport, as evidenced by his acceptance of the honorary presidency of the Olympic games.

Among other details the officials were selected for the most important meets at St. Louis. Harry McMillan will referee the A. A. U. handicap meeting, June 1, E. E. Babb, the A. A. U. meeting June 2, and Walter Lighnger, the A. A. U. championship meeting, Saturday, June 3. The other officials will be selected after conference with the different athletic associations throughout America. James E. Sullivan was selected for referee for the all-around championships, July 4. James H. Sterritt of Philadelphia, was selected for efferee for the water polo championships, and F. H. Wells of the N.Y. A. C., referee of the swimming races.

The Olympic track and field games will extend over Monday, Aug. 29, Tuesday, Aug. 30; Wednesday, Aug. 31; Thursday, Sept. 1: Saturday, Sept. 3. In connection therewith will be the all-around strong men's contest known as the dumbbell contest, and entries are expected from all paris of Europe. The committee selected as referee Harry Buermeyer is, one of America's oldest active athletes.

The Hon. David R. Francis was selected

Buermeyer of the New York A. C. Mr. Buermeyer is, one of America's oldest active athletes.

The Hon. David R. Francis was selected referee of the Marathon race, Walter Liginger referee for Thursday, Sept. 1, and Bartow S. Weeks of the New York A. C. referee for Saturday, Sept. 3. The referee for Monday, Aug. 20, has been referred to the Conference College Association of the West. The conference college will be asked to name the referee for this day. On Tuesday, Aug. 30, the referee will be one selected by the Intercollegiate Association of Amateur Athletes of America.

the referee will be one selected by the intercollegiate Association of Amateur Athletes
of America

The arrangements of the committee have
been put in such a way that all the championships of the A. A. U will be successfully
handled by members of the committee.

The request of Dr. Gebhardt of the German
Olympic committee, made through its American representative. Robert Kammerer, New
York A. C., was taken up and fully discussed.
The German Olympic committee desire to
have, if possible, all of the Olympic games
conducted within a period of one month.
Owing to the conditions existing in America,
it was found utterly impossible to comply
with this request. But nevertheless arrangements were made whereby the Olympic
track and field games, the bicycle championships and tennis championships would be
conducted within a month of the Olympic
track and field games. And the committee
decided to accede to the German representarive and change the swimming championships from July to Sept. 5, 6 and 7, and also
add the following events that were requested
by Mr. Kammerer:

Swimming on the back, breast stroke
swimming, about three hundred metres,
relay swimming, and fancy diving from a
three metre board with start. These competitions were all added, but the conditions
of the fancy diving from a three metre board
with a start is not agreed to. The rules and
the conditions that prevail in America will
govern this fancy diving competition.

SOUND YACHTSMEN MEET. Measurement Rule Altered-Schedule for

The annual meeting of the Yacht Racing Association of Long Island Sound was held at the Arena, 41 West Thirty-first street, last The meeting was a large one and business was transacted. The most important of this was changing the rule of measurement so that in future the formula in use by the Sound clubs will be the same as that of the New York and Atlantic Yacht

as that of the New York and Atlantic Yacht clubs. The new rule is as follows:
Yachts shall be rated for classification and time allowance by racing measurement, which shall be determined by multiplying the length by the square root of the sail area, and dividing the product the 5.5 times cube root of the displacement.

Length is obtained by measuring the load water line length. The beam is then measured at points one-eighth of the length of the load water line from its forward end and from its after end, and these measurements are added together. If the sum of these two exceeds the maximum load water line beam such exceeds the maximum load water line beam such exceeds the maximum load water line beam such exceeds the solution of the load water line length. Displacement is obtained by multiplying the area of the immersed midship section in square feet by 55 per cent. of the load water line length, the result being the measurement of displacement in cubic feet.

Some other changes were made in the

displacement in cubic feet.

Some other changes were made in the racing rules and the table of scantlings was made to apply to the 32, 27 and 15 foot restricted classes. A code of signals had been arranged by the executive committee for use during regattas so that regatta committee men and owners of boats can talk to each other. This was adopted. The following officers were elected: President T. H. Macdonald, Birdgeport Yacht Club; secretary, Charles P. Tower, Riverside Yacht Club; treasurer, E. M. MacLellan, Manhasset Bay Yacht Club; executive committee, Charles T. Pierce, Riverside Yacht Club; Erank Bowen Jones, Indian Harbor Yacht Club; Clinton H. RACETRACK FOR NEWPORT. Special Committee Appointed to Go Ahead

With the Project. NEWPORT, R. I., March 21.-Newport is automobile racing. At the special meeting i of the progress committee this afternoon a special committee was appointed to go ahead

with the matter, and, although a permanent track cannot be built in time for use the coming season, a place will be secured temporarily for races this year.

At the meeting this afternoon the question of a general sporting park was freely discussed and the following were appointed a committee to go ahead with the same: A. A. Barker, Herbert L. Dyer, James J. Rooney, Reginald C. Vanderbilt, Ernest Voigt and I. B. Bergman. They will at once look up a site for such a park and also look into the matter of securing a charter from the General Assembly.

The committee was in hopes of securing

Master of sectring a charter from the General Assembly.

The committee was in hopes of securing Aquidneck Park for the coming summer, but they find that this cannot be procured. It is possible that a track will be laid out at Bateman's Point, and if it is found a proper site it could be made permanent. A number of the committee hold a license from the National Trotting Association, under which horserace meets could be held. Steps will at once be taken to organize a company for the building of a sporting park, and there will be no trouble in securing subscriptions for stock in the same.

NEIL ANSWERS M'GOVERN. Ready to Fight Terry's Brother for Bantam Championship,

The recent defi of Hughey McGovern to meet Frankie Neil, the bantam champion, for the title in his division has been answered by Jim Neil, the champion's father, who acts and does all of Frankie's business. The elder Neil says that if Sam Harris, McGovern's manager, so desires, the combat can be arranged at once. But if not, the affair will have to be deferred until next fall, as Neil intends to come East and remain in New York for a few months. Neil adds that the reason why he did not answer liarris in the past relative to McGovern's challenge is because he did not think that the clubs would arrange a date for the mill. He has since received assurance that they would, hence his eagerness to bind a scrap right away.

It is likely that Harris will go to the Pacific Coast the latter part of this month in company with Jim Jeffries, who expects to leave for California to begin training for his mill with Jack Munroe. If Harris starts then the bout, if made, will be held a few weeks before Munroe and Jeffries have it out. and does all of Frankie's business.

NEW YORK NATIONALS WIN.

BIRMINGHAM TEAM BEATEN BY SCORE OF 9 TO 3.

Effective Stick Work in the Seventh Inning Clinches the Game for McGraw's Men -Mathewson Takes His First Turn in the Box-Dahlen's Good Batting

BIRMINGHAM, March 21.—The New York Nationals profited much in their spring training labors through the playing of to-day's game with the local Southern League team. Up to the seventh inning it was the scrappies kind of a contest, with the score so close that the smallest accident might have proved fatal to the McGraw outfit.

In the seventh the men from Gotham did some effective stick work and cinched a victory. The final score was 9 to 3 in their favor. Birmingham's players struggled as though they felt they had a chance to beat the visitors and the pace they set was just what Manager McGraw wanted. Mathewson had his initial spring try-out

in the box and four safe hits were made off his delivery. While he made a fair showing, it was evident that the big fellow needed a great deal of work before he will be ready to take up his work in the pennant series.

Milligan also seemed unsteady at critical times Catchers Bowerman and Warner did excellent work behind the bat. Bower-man nandled Matty's flings, while Warner worked with the newcomer. The feature of the, game was the batting of Dahlen, who had four safeties to his credit out of five times at bat. Bresnahan did not show his usual skill with the stick, but he fielded brilliantly, and as there is no question about his batting ability his fine exhibition in the field is the

Rain Stops the New York Americans Practice. ATLANTA, March 21 .- There was no practice this morning and no game this afternoon for the New York Americans, the first pause in the steady development of the team since heir arrival here being due to rain. There was some practice this afternoon on a wet field, however, and the pitchers had good opportunity to continue the work of getting heir whips into condition for an arduous

their whips into condition for an arduous campaign.
Griffith is keeping a close eye on his pitchers' progress. So far he has reason for congratulation over the outlook. The good form which the two new men. Hughes and Powell, are showing is especially gratifying. Both say they are feeling vigorous enough to dent holes in armor plate.
Griffith expects to go in for a while against Atlanta to-morrow. He will have Kleinow behind the bat. He is much impressed with Kleinow's work in practice. The is quick and wideawake and pays close attention to business, declares the manager of his new catcher. The team as a whole is coming along nicely, and improved materially last week. More warm weather is the ohief thing to be desired.

ST. LOUIS CHAMPION SHOOTERS Revolver and Pistel Henors Go to That

City. Sufficient returns, in the shape of score cards and targets, have come in to convince the officials of the United States Revolver Association that the winner of the revolver cup in the recent match is S. E. Sears and of the pistol cup Dr. E. H. Kessier, both of St.

the rules of the association at that place.
The highest scores made in San Francisco,

phenomenally high score made by Sears,
the record score under the conditions,
which were 50 shots at 20 yards on the
standard American target, each man's
score to be completed within one hour. The
total of Sears's score is 477 out of a possible
500, and he shot it in just 33 minutes. The
former record was 554, by Dr. W. H. Luckett.
Dr. Kessier's pistol score is 450, and he also
shot the score in 33 minutes. A. L. A. Himmelwright, the president of the executive committee, who was one of the competitors in
the tournament in this city, said yesterday
that both cups would undoubtedly go to the

There was another good session yesterday at the 14-inch balkline tournament to de-cide the championship of the Amateur Billiard cide the championship of the Amateur Billiard Club. The playing was fast and some very clever shots were made. Four games were played in the afternoon and evening, but the Douglas and Gershel contest was the most interesting, because neither player had lost a game, and therefore they were the topnotchers of the tourney.

Dr. Douglas easily disposed of Gershel and also equalled the average record of \$2-31 made by Dr. A. B. Miller. The game lasted only thirty-one innings. Douglas scored first and in five innings had a lead of 7 points. It was not until the sixth inning that Douglas tallied the first of a long series of double figure runs in groups of twos and threes.

Dr. Miller defeated F. C. White. The winner tallied nine high runs, but even with these the game lasted sixty innings, Miller winning by 79 points. the game lasted sixty limings, Miller winning by 79. points.

Y., March 21.-George Brownell of Syracuse, formerly a professor in Syracuse University, attempted suicide at the Middletown State Homosopathic Hospital for the Insane in this city, where Hospital for the Insane in this city, where he has been treated for some time for melancholia. He made serious wounds in his abdomen with a small knife. A new suit of clothes had been sent him from home, and when they arrived at the hospital the attendants in their search of the clothing failed to find the knife, which was in one of the pockets. He is still alive and may recover if peritonitis does not set in. recover if peritonitis does not set in.

WANTED \$50 FOR FAKE TIP.

Two Tramps, Who Told Capt, Langan of a Safe Blowing Plot, Must Get Out of Town. Sid O'Brien and Jock Mullen, two tramps who tried to bunco Capt. Langan of the Detective Bureau out of \$50 for a false tip concerning an impending safe blowing, were ordered to leave town by Magistrate Whitman in the Tombs police court yes-

whitman in the Tombs police court yesterday.

The two men came here from Buffalo a few days ago and have since lodged on the Bowery. On Sunday night, thinking that they might make a little easy money, they went to Police Headquarters and told Capt. Langan that they had overheard a plot among a gang of yegg men to blow open the safe in a Park row social club.

Capt Langan personally investigated Capt. Langan personally investigated their story and found it pure fiction. He then arrested the tramps and sent them to the Tombs police court in the hope that they would get a term in the workhouse for attempting to bunco him. Magistrate Whitman decided to let them go with a

MARVIN HART FLUNKS. Fails to Appear in the Ring to Meet Gus Ruhlin.

PHILADELPHIA, March 21.—Despite the declaration of Jack McCormick, the manager of Marvin Hart, that Hart would be on hand to-night to meet Gus Ruhlin in the widely advertised battle, Hart did not put in an

advertised battle, Hart did not put in an appearance.
Ruhlin was on hand to do business, but the Lenox Club did not open its doors and the money was refunded at the box office. As no forfeit money had been posted, there was nothing to lose except time and expense. No excuse is given for the failure of Hart to keep his appointment. He and McCormick left Hot Springs together. McCormick came East by way of Chicago and Hart went to Louisville, his plan being to come on at once to this city.

He failed to do so. McCormick declares that he has been unable to reach Hart by wire and can give no explanation of Hart's actions. "Cold feet" is mentioned as one reason why Hart thought it wise to keep away from Ruhlin, but that is only what some of the sports say.
